

Thank you

I would like to say a special thank you to everyone at Churchfield Church School, parents, governors, staff and above all children for making me feel so welcome over the past year. The dedication of the Churchfield staff team in providing the best possible learning opportunities for the children is outstanding. As a result of their skills, support and encouragement the children have had some amazing successes this year. This is not only reflected in our Early Years data and SATs results but also in music, sport, art and lots, lots more. Our new curriculum has included many more trips and visits and whenever we have taken our children out teachers have been congratulated on the children's behaviour. However, it is the children's enthusiasm for learning and their determination to succeed that has been so impressive. We are all very proud of them.

I will miss the children's cheery smiles and 'hellos and good morning/afternoons' that I have had as I have walked around the school and visited classrooms and their excitement at showing me their work.

I wish everyone a restful summer and happiness and success for the future.

Mrs Venning

A Message from Philip Bowditch the Chief Executive Officer of The Bath & Wells Multi Academy Trust

All at Churchfield Church School have achieved some amazing things this year.

Under Mrs Venning's leadership, teachers, Teaching Assistants and staff have worked really hard, together, to make the school a great place to learn with an exciting curriculum.

When I have visited, walking around classrooms, talking to teachers and pupils, looking at pupils' work, it has been fantastic to see pupils thinking hard, being creative, building new skills and enjoying their learning together.

Lots of Churchfield pupils have also taken part in music, sport and art competitions and performances including singing beautifully at Wells Cathedral in May and at the Burnham Music Festival.

On behalf of the Bath and Wells Multi Academy Trust, I would like to say thank you to Mrs Venning for her skilled leadership of and commitment to all at Churchfield Church School. Thank you to the hard working, creative teachers, teaching assistants and staff for the way you have made Churchfield an exciting place for pupils to learn. Thank you to parents, carers and friends for the many ways you have supported pupils and the school. And finally, thank you and well-done to pupils. You have amazing skills and abilities as learners that the teachers and staff will look forward to working with you to develop further in September.
