

Our Christian School Values

At St John and St Francis Church School everyone is special, where care and teamwork lead to learning, achieving and growing together.

Our Christian Values underpin all that we do. Our values form the basis of our School Rules; we call them our Flock Code and they are linked to our Collective Worship, RE and PSHE.

Our values of Friendship, Forgiveness, Kindness, Peace, Happiness and Perseverance are shared by our whole school community through teamwork, valuing and respecting everyone.

How our Flock Code and Christian Values weave together:
