## Cheddon CHAT 21 – Friday 3rd March 2017

### Website

We are having a few technical difficulties with our website at the moment. Some of the drop down menus are not working and others have disappeared completely. We have contacted our provider, who are looking into the issue for us. Please bear with us and I will let you all know when it is up and running again.

### Open Door

Thank you to everyone who donated books for our recent collection for our charity Open Door. They collected all the items on yesterday and were, again, overwhelmed by everyone's generosity. They have posted a few pictures on Facebook. You can view the post by [clicking here](#).

### World Book Day

Well done to everyone for looking fabulous yesterday on World Book Day. There were some amazing costumes and we really appreciate the effort everyone went to to make the day such a success. Photos to follow soon...

### Bug Club

We just wanted to remind you that your child has access to our online reading subscription Bug Club. There are a range of fiction and nonfiction texts that your child can answer. There are also questions related to the text. To access these you click on the picture of the bug that is on the page. Once answered, the bug will then close its eyes. These books can count towards your child's 100 reads. If you have any questions, please see your child's teacher. The link to the page can be found by [clicking here](#).

### Celebration Assembly

There will be no celebration assembly next week (10th March). Classes 3, 4 and 5 have a space dome coming in for the day and the hall will be needed right up until 3:15. Normal service will resume the following week (17th March).

### Parents' Evening

Parents' evening for this term will be happening on Thursday 16th March and Thursday 23rd March. Sign up sheets will be going up in classrooms next week. If you are unable to get into school to sign up, please contact the office who will do their utmost to get you an appointment.

### Memorial Hall

The village hall committee are looking for more trustees. They meet about 4 times a year for about an hour at a time and would like another school representative to join. If this is something you think you spare some time for, please see Miss Penn for more information.

### Catchball Tournament

A massive well done to all the children who took part in the catchball tournament at Castle school on Thursday. Considering it is a game that we haven't played before and only learnt the rules this week, they played amazingly. We had two teams playing and out of the eight games played, we won five games and drew three. Thank you to Mr Wright, who did a grand job of teaching them the game within a week and to all the parents who helped and supported. I can't wait for the next one!

This week's attendance in each class:

94.73	96.12	97.29	95.16	96.35
Class 1	Class 2	Class 3	Class 4	Class 5
