

Menu Homework

You will need to choose at least one item from each section of the homework menu and return to school by the dates given.

STARTERS: Due in on the 29th January

- Make an African animal habitat in a shoe box.
- Create a 3D animal (that lives in Africa) using materials of your choice.
- Make an African drum.
- Create an African animal collage using different materials to create different textures.
- Learn an African dance.
- Create an African mask.

MAIN COURSES: Due in on the 26th February

- Research African food.
- Learn about animal tracks.
- Make some African food ie banana fritters.
- Learn about what animals in Africa eat.
- Science investigation: elephant toothpaste <http://thestuffofsuccess.com/2012/01/elephant-toothpaste.html>

DESSERTS: Due in on the 18th March

- Research Africa and make an information book/poster/leaflet to show what you found out.
- Create an information leaflet/book/page about an animal/s of your choice.
- Create a poster about an African animal of your choice.
- Create a report about an endangered animal.
- Write a letter to a child in Africa, telling them all about you i.e. your friends, favourite toys/games, your house, your family etc. What would you ask them to find out more about their life? (NB: Reception children - you can scribe the letter for them).
